

GIVE THE GIFT OF AN EXPERIENCE

Upcoming Enrichment Programs for the 2021-22 School Year

This holiday season, gift your child/ren an enrichment opportunity they can experience this school year!

KidzArt Session 2 (Gr. K-5)

Ice cream sundaes, hamburgers, and picnics! Let's get our hands messy with our very own Great Artsy Bake Off! In this special 6-week KidzArt session, students will explore different mediums like air dry clay, watercolors, and scratch art. This will be a whole new level of fun with art!

Chess Club (Gr. K-8)

Do you love to play chess or want to learn how to play? During chess club you will learn various strategies of the game as you get ready for a chess tournament at the end of each session. Get to know and learn from Mr. Sartori and peers in the group! Chess Club is open to all skill levels!

Book Club (Gr. K-8)

Book Club is open to all students who have a passion for reading. During book club, students will explore books through critical thinking, reflections, activities, and discussions. We plan to have 3 small groups that will be split up based on grade and reading level. Book Club is strictly for fun with an opportunity to share the love of reading. We hope to see you there!

Snowshoeing (Gr. 2-8)

Join Mrs. Tracy in a 4-week class to explore snowshoeing. Snowshoeing offers an exciting opportunity to enjoy the beautiful outdoors with minimal technical skill. Students will learn about appropriate gear, as well as how to safely navigate snowshoe trails. Although this course is designed to teach foundational snowshoeing skills to beginners, all experience levels are welcome. No snowshoeing experience required.

Babysitting 101 (Gr. 5-8)

This 8-hour course held over a 4-day period follows the American Academy of Pediatrics' **Babysitter Lessons And Safety Training (BLAST)**. Students will learn current practices for safety and injury prevention, first aid basics, feeding and caring for infants, how to handle behavior problems, and how to manage a babysitting business. Students will receive a reference book, game handouts, babysitting bag, and first aid kit. The class is presented by Emergency Outfitters.
